

Thank you

Hello from Franklin Hospice

Thank you for considering running a fundraising event on our behalf. It means such a lot to us to have your help in raising the \$1 million plus we need each year to keep our services free.

Whether you have run a fundraising event of any sort before or not, we are here to help you make things much easier with this step by step guide.

Inside you will find a guide with some starter ideas of small events you can run. Also you will find some suggestions for how to promote your event, particularly using social media.

Once again, thank you so much and please feel free to phone us on 09 238 9376.

The Franklin Hospice Team.

In 2020, 224 new patients were referred to our service. There were 191 new referrals in 2019. In 2020 we supported 285 Franklin residents and their families and the figure was 244 in 2019.

Hospice services are free of charge to anyone needing support

How can you help?

We need to raise over \$1 million per year to keep Franklin Hospice running. Small fundraising events are a huge help whether its by hosting special events, selling goods or getting the office involved to raise funds for us.

We have so many ideas but so little time! While on the next page you will see some starter suggestions, if you have another idea, we would love you to run it by us and we would be delighted to help you get it going.

Once you have your idea, let us know what it is and we will see how we can help. At the very least, we can spread the word on our social media, mention events in our newsletters and share resources.

Once you have run your event, you can deposit the funds raised into our bank account. After we would love to arrange a quick catch up (by phone or visit to Franklin Hospice) to debrief on the event. With your permission, we would also aim to share your story on our social media to inspire others.

Please deposit funds raised into our bank account 1230-23-0286527-00-50.

So we can provide a donation tax receipt, please include you surname and the word "event" in any two of the reference fields provided. Thank you.

Need an idea?

Run a mufti day at your school or office (Make it more fun with a theme!)	Have a bake sale or even sell some of your baked goods to your colleagues	Sell something you have created and donate to Franklin Hospice
Host an afternoon or morning tea and collect funds from an entry fee	Ask for donations to Franklin Hospice instead of gifts for birthdays or anniversaries	Run a sports event and donate the proceeds from the entry fees.
Get the teens in the neighbourhood together to run a car wash.	Encourage colleagues to participate in a walk-a-thon. Collect pledges for each km walked.	Auction unwanted items (Yours and your friends) on Trademe and pass the proceeds on to us
Ask people to sponsor you to do something out of your comfort level, like a skydive!	Run a sausage sizzle at your business or school	Organise a quiz night (some local venues may help you with this)

Make sure the first donation is a good one — people always look at the first donation and try match it.

Now share it! Social media is your friend.

We are happy to share your events on our social media pages too.

Let the world know!
